

"A safe haven made for you to reset, refocus, and revitalize."

**D**escribed as "a charming oasis nestled in the heart of Hollywood" and "a true urban refuge," Blossom Spa offers superior spa services such as massages and facials to help soothe the stresses and pressures of modern urban living. Blossom Spa prides itself on both convenience and affordability. Spa manager Angela Siprasert says she and her staff are driven "to create a neighborhood retreat that is a spa 'home away from home,' where you can always drop in and just be yourself."
